

SPA INFORMATION

Our goal is to provide you with excellent services, a fabulous treatment and a transformational experience. You can expect clarity, transparency and clear communication throughout your visit.

CONSIDERATION

To maintain a relaxing spa experience, we request that you turn off cell phones and pagers when you enter the facility and that you refrain from smoking in or close to the premises.

Guests must be 18 years or older to use the spa.

YOUR TREATMENT

When you check in for your appointment you will be accompanied to a men's or women's locker area. A locker, robe and slippers will be provided. You may undress to your level of comfort. We invite you to enhance your experience by taking a relaxing shower, soak in the whirlpool or enjoy the steam room or sauna before your treatment. Your therapist will greet you in the relaxation area and accompany you to your treatment room. We highly recommend refraining from drinking alcohol or eating a heavy meal immediately before or after a service, as it could detract from your treatment.

We encourage you to drink plenty of fresh water to aid the natural detoxification process that accompanies every treatment.

CONFIDENTIALITY

The State of Texas requires that we prepare intake forms. This information is valuable for the therapist and ensures your safety. Forms are absolutely confidential as is any information you share with your therapist.

VALUABLES

Please do not leave valuables in your locker. Please use the resort vault or room safe to hold valuables during your spa visit.
